

Medi Spas Require Highly Skilled Estheticians

The Award Winning European Institute of Esthetics, Alberta's #1 esthetic school is well sought after by Medi and Resort style spas all over Canada to supply graduates.

The European Institute of Esthetics is located at 6724-75 street, phone (780) 466-5271

The standard of excellence provided by the European Institute of Esthetics has put students in a league of their own. Endless opportunities are waiting for graduates in the vibrant and exciting esthetics industry.

Some graduates are traveling the world on cruise ships; others are working in beautiful resort spas. The latest trend of Medi Spas has created a more discriminating consumer seeking unprecedented levels of technical skills, which is provided by internationally accredited instructors at the European Institute of Esthetics.

"Enrollment only 3x per year, allows our instructors to focus on in- depth education as well it gives our students the opportunity to learn and practice in a structured class environment. We invite parents and future students to get in touch with us to learn more about a rewarding career in esthetics and the endless possibilities of a secure future," states Inge Patton, president of the prestigious European Institute of Esthetics.

With yet another stage of added theory and practical class rooms completed, the European Institute of Esthetics expanded the curriculum now also offering many Module Classes allowing estheticians & candidates wishing to enter the esthetic / spa industry to receive the best possible training for a secure & rewarding career.

Student Testimonial:

"At the European Institute of Esthetics everything I learned about esthetics was elevated by the beautiful spa environment I got to learn in. The knowledge I gained as well as the professionalism that was instilled in me has given me confidence that has affected my whole life. Thank you to the instructors at EIE!" - Randal Skye Paziuk
